

SEMINAR IN THE EUROPEAN PARLIAMENT

Nanotechnology - threat or opportunity? Who is really in charge of policy making in cutting edge technology?

I hereby register for the March 5 seminar in the European Parliament:

- Name:
- Affiliation:

- E-Mail:
- Date of birth (required by security):
- Private address (required by security):

Participants not being members of European Parliament should send this registration form to Kjell Andersson **by February 20, at the latest.**

E-mail registration to: kjell.andersson@karita.se

Your participation will be confirmed by e-mail with information on access to the seminar. **Please note that the number of participants is limited**, and that priority will be given following the date of registration by this form.
